CHICAGO – Operation Warm and the Chicago Housing Authority will utilize a special website – [www.chayouth.org](http://www.chayouth.org) – to distribute over 5,000 coats in preparation for what is expected to be another cold Chicago winter.

Public Housing and HCV voucher participants interested in obtaining a coat must first register at [www.chayouth.org](http://www.chayouth.org). Coats are requested on a first-come, first-serve basis and are available to children on leases who were born after 1/1/95. The website, which helps to ensure that coats are requested only by CHA residents, will remain available until all of the coats are gone.

Once registered, residents will receive a confirmation letter approximately two weeks prior to the distribution, informing them of their specific pick-up time. For more information, please go to [www.chayouth.org](http://www.chayouth.org).
