During this workshop students will be able to get questions answered to complete FAFSA. These are the forms used to apply for financial aid, such as the Federal Pell Grant and/or the Illinois Monetary Award Program (MAP). Many colleges also use these forms to consider students for other institutional money. **Individuals must create a FSA ID at least 3 business days prior to the workshop** to be able to start the FAFSA. Students & parents use their FSA ID to provide approval for the transfer of tax income information from the IRS to the FAFSA. **Individuals should have information regarding their income and asset information readily available.**
