Early College

Save time and money with early college options

Are you 16 or older and a high school junior or senior?

You can start earning college credit now at the City Colleges of Chicago! Here's how:

Why Choose Early College?

- **Earn College Credit Without Paying Tuition:** Take courses without the cost of college tuition.
- **Explore Your Interests:** Discover new subjects or get a head start on your future major.
- **Access College-Level Resources:** Learn from real City Colleges professors and use the same resources as college students.
- **Get Personalized Advising:** Receive guidance for your college journey and future career.

Your Options for Earning Credit

1. Dual Credit

Take classes at your high school and earn both high school and college credit—no need to change your schedule. Some schools even offer classes for specific career paths (availability may vary).

2. Dual Enrollment

Attend classes at City Colleges of Chicago and focus on areas like automotive technology, business, early childhood development, logistics, or IT.
