Resources for Voucher Holders

Account Management

CHA primarily conducts business with HCV applicants, participants and property owners/managers via online portals, email and phone. While in-person appointments and paper forms are available by request, CHA encourages everyone to try the remote and paperless system first. Digital requests are more easily tracked, which limits repeat requests and therefore processing delays.

CHA's primary account management tool for HCV participants is [RENTCafé](#), where you can:

- View your family information, such as household members and income affiliated with the account.
- Access HCV Resources and read important news and announcements from CHA.
- View your HQS inspection information, including appointments and high-level results.
- Complete your Re-Examination appointment (when it's time).
- Request an Interim when you experience changes in your household (loss of income, the addition/removal of a household member, etc.).
- And more

Completing Your Re-Examination Appointment through RENTCafé

As a requirement for continued eligibility, HCV and PBV participants must complete a Re-Examination every 1-3 years, depending on their household composition and/or reported income. This review is done to ensure families are receiving the financial assistance they need.

Join us to learn more about what to expect during your next Re-Examination, what documents are needed, who must be present to sign forms and how easy it is to use RENTCafé to complete your appointment online. This session will also cover the many other ways RENTCafé gives you access to manage your voucher 24/7.

Tuesday, June 17, 1 p.m. to 2:30 p.m. | [Click Here to Register](#)
