Summer Food for CHA Youth

All summer long, youth can enjoy free, healthy meals—both breakfast and lunch.

FREE Summer Food Service Program - OPENS June 17th

Starting June 17, your child can enjoy free breakfast and lunch at Summer Food sites across the city—no sign-up needed!

The CHA operates these sites alongside other providers, including CPS, with each provider setting its own rules and hours.

At CHA locations, meals are served:

- Breakfast from 8:30–10:30AM
- Lunch from 12:30–2:30PM

There is no cost. Youth under 18 are welcome as long as they can feed themselves. *Please note: adults are not allowed inside the meal sites.*

Special Raffle for CHA Sites!

This year, the CHA is hosting a raffle for Summer Food participants! Each time your child eats a meal on-site at a CHA Summer Food location, they'll earn one raffle entry. Three winners will be selected at each participating site.

More meals = more chances to win!

(Only meals eaten at CHA locations count toward raffle entries.)
