CHA Hosts 2nd Annual Homeownership Symposium

June is National Homeownership Month. To celebrate, the CHA HOME Team hosted the 2nd Annual Homeownership Symposium, on Saturday, June 8 at the UIC Student Center. With over 200 attendees, the event was a vibrant and informative gathering focused on "all things Homeownership."

The Homeownership Symposium is more than just an event; it is a vital platform for empowering current and prospective homeowners with the knowledge and tools they need to unlock their economic power.
