“I am proud to share my journey as a success story, thanks to the incredible support from WORC Business Academy, a department of the Chicago Housing Authority. Over the years, WORC Business Academy has been instrumental in my personal and professional growth. Through their comprehensive one on one sessions and classes, I was able to craft a solid business plan for Heavenly Touch Wellness Salon. The experience not only bolstered my confidence but also inspired me to pursue higher education and become a licensed real estate broker.

The WORC Business Academy has consistently been just a phone call away, providing unwavering support and many different resources whenever I needed it.
