CHA'S OUTSIDE COUNSEL BILLING GUIDELINES

CHICAGO HOUSING AUTHORITY'S
OUTSIDE COUNSEL BILLING GUIDELINES
(as of 04/19/22)

The Chicago Housing Authority (“CHA”) retains a broad range of outside counsel to assist and augment its in-house legal staff. An attorney from the Chicago Housing Authority’s Office of the Chief Legal Officer will be designated as your firm’s point of contact when dealing with the CHA (“Designated Contact”). The CHA, through its Office of the Chief Legal Officer, is responsible for making all substantive decisions in matters for which outside counsel have been retained.

The following Outside Counsel Billing Guidelines apply to all law firms retained by the CHA. If there are occasions or specific matters for which some of the procedures seem inappropriate, please bring your concerns or special requests to the attention of your Designated Contact. The CHA reserves the right to modify these billing guidelines at any time.

STAFFING AND SUPERVISION

When the CHA retains outside counsel to work on a particular matter, we expect the lawyer whom we contact to be directly and intimately involved in that matter throughout its course, unless we otherwise specifically agree. We also expect to be consulted about other lawyers before they are assigned to work on any CHA matters and will not consider time expenditures for such lawyers to be authorized absent such consultation. You may not assign additional staff to any CHA matter without prior approval from the Designated Contact.

We expect that outside counsel will avoid:

- Overstaffing CHA matters.
- Shifting assigned personnel except when absolutely necessary and only when approved by the Designated Contact.
- Charging for learning time of newly assigned lawyers when a shift in personnel is required;
- Authorizing premature or peripheral legal or factual research.
- Holding nonessential internal conferences about CHA matters.
- Routinely digesting, abstracting or summarizing documents and depositions; absent specific agreement otherwise.
- Handling specific tasks through persons who are either overqualified (e.g., routine document review by a senior lawyer) or under-qualified (e.g., extensive research of general principles of law by junior associates).

The resources of the CHA’s Office of the Chief Legal Officer should be the starting point for your projects. For instance, it may be more efficient for us to gather and review files. For certain research activities (including legal research), or for business, financial or historical information, we expect you to look to the information and experience available through the CHA as a primary source. Accordingly, significant research projects and other non-routine activities that may involve the expenditure of considerable time by your firm should be discussed with us and approved in advance.

PROTOCOL

You and the Designated Contact should work closely together. In all circumstances, it is essential that you keep the Designated Contact fully and currently informed about the status of your matters and the import of new developments. By this we mean prompt personal communications where appropriate and periodic written status reports where appropriate.

You should consult with the Designated Contact regarding the various aspects of the matters to which you are assigned so that we can jointly determine whether, for example, a particular research project is necessary, a particular deposition makes sense from an economic standpoint, or a particular document production can be completed more economically in-house.

Should you communicate directly with any CHA employees outside of the Law Department or CHA vendors, you should report all such discussions on any matter of substance to the Designated Contact on the same day the matter is discussed.

All documents that you intend to file with a court or a government agency that may potentially affect the final disposition of a case must be sent to the Designated Contact with enough lead time to allow a meaningful review. Copies of final or as-filed documents should also be sent to the Designated Contact. In addition, the Designated Contact should be provided with copies of any memorandum, whether an internal research memorandum or one filed in a court, for which the CHA is to be charged a fee.

Settlement demands and overtures must be conveyed to the Designated Contact immediately. The Designated Contact will consult with the appropriate CHA official and will authorize settlement, if appropriate. No settlement may be entered into without prior approval of the Designated Contact.

Status Reporting for Personal Injury, Other Tort, Workers Compensation, and Employment - Related Litigation

Within two weeks of the receipt of a case or an assignment, you must acknowledge the acceptance in a letter directed to the Deputy General Counsel-Litigation enclosing the executed Task Order which should list the name of the responsible partner and any other lawyers or paralegals to be assigned to the specific matter. The acknowledgment letter should outline the activities to be performed within the first ninety days and provide a preliminary budget for those activities. Within ninety days thereafter, you should complete and forward a Status Report following a format provided by your Designated Contact. Your Status Report should provide the CHA with an initial evaluation and a proposed budget for the entire matter of the case or assignment. Interim status reports in letter form should be submitted every sixty days and should briefly update the information contained in the Status Report, even if there has been no activity.

As information becomes available, you should report all significant events directly to the Designated Contact. Significant events include depositions, witness interviews and court appearances. Depositions are to be briefly summarized in letter form and should include your impression of the witness, effect upon the case or assignment, effect on the CHA's strategy and recommendations for future activities.

Legal Counsel should notify the Designated Contact of all settlement conferences or trial dates as soon as the date is set, and they should discuss whether the Designated Contact or other CHA representative should attend any settlement conferences or trials.

At least six months prior to trial, Legal Counsel must submit a detailed evaluation of liability and damages for the case, including potential settlement amounts and verdict awards. You must obtain written authority from the Designated Contact to proceed to trial. During trial, you are expected to report daily to your Designated Contact.

All correspondence, significant pleadings, acknowledgment letters, Status Reports, information and documents should be forwarded to:

Deputy General Counsel - Litigation

Office of the Chief Legal Officer

Chicago, IL 60605

The acknowledgment letter should outline the activities to be conducted within the first ninety days and provide a preliminary budget for those activities. Within ninety days thereafter, you must provide a budget through the conclusion of the matter. Legal Counsel and the Designated Contact should agree on the most appropriate reporting procedures thereafter.

All correspondence, significant matters, acknowledgment letters, Status Reports, information and documents should be forwarded to the appropriate Designated Contact at the address below:

Chicago, IL 60605

BUDGET

You will be required to provide a budget when you are retained to handle a matter. Legal fees and costs must not exceed the budgeted amount without prior approval.

The budget must specifically include the work expected to be done, the identity and the billing rate of each lawyer and paralegal assigned to the matter, and the amount of time the work is expected to take. This budget should be updated quarterly. Any variances from the proposed budget should be clearly shown. You must notify the Designated Contact if it becomes apparent that the budget is being or will be exceeded. Unless otherwise approved in advance, the CHA will not pay charges for

time spent preparing budgets or monthly bills.

EXPENSES

The CHA will reimburse your firm for out-of-pocket expenses at your firm's cost, except for certain disbursements that will not be paid unless agreed to in advance by the Designated Contact.

Messenger Services. We will reimburse you for actual charges billed to your firm for deliveries (including overnight express), but only when such expedited delivery is necessary. All decisions about modes of delivery, from hand delivery to overnight express, to electronic transmission, should be made with due regard for need, economy and good sense. We will not pay for in-house messenger services.

Local and Surface Travel. If you are required to travel more than 100 miles round trip on CHA business, we will reimburse reasonable mileage rates for the use of personal cars or the actual cost of buses or trains necessitated by the CHA's business, which are not part of your lawyers' or employees' commuting costs during regular business hours in accordance with applicable CHA policies.

Out-of-Town Travel. Any out of town travel must be approved in advance by your Designated Contact. Only in unusual circumstances will travel by more than one attorney be approved. Charges for attorney time during travel are reimbursable only if such time is actually used in performing services for the CHA. You must make travel arrangements by means that will ensure that the best and most reasonable prices for air or ground transportation are obtained. We will reimburse your firm only for coach rates. We will reimburse your firm for reasonable hotel charges and for reasonable meal charges. Please see the reimbursement rates for travel expenses as listed on the attached sheet. We will not pay for personal expenses incurred in conjunction with such travel (for example, entertainment, alcohol, dry cleaning).

Experts and Consultants. The selection and retention of appraisers, experts and consultants must be coordinated with and approved by the Designated Contact. These charges must be itemized on your bill.

Other Expenses. The CHA will pay the actual cost of services such as court reporting, printing and the acquisition of specific materials if such expenses were approved in advance by the Designated Contact.

Non-Reimbursable Expenses. Unless authorized in advance by the Designated Contact, the CHA will **NOT** pay for the following expenses or charges:

- secretarial, clerical or word processing services (normal, temporary or overtime);
- administrative, clerical and other services such as proofreading, file creation, file organization and maintenance, "clearing conflicts," and personnel training;
- accounting services;
- photocopy expenses at more than 10 cents per page;
- facsimile charges, other than actual long-distance charges associated with the transmission; local

- telephone expenses;
- office supplies;
- charges for business meals or refreshments (unless related to out of town travel);
- local travel expenses;
- in-house messenger services;
- costs associated with purchase or rental of equipment such as copiers, fax machines, computers, software, postal machines, etc.;
- computerized research unless approved in advance;
- normal postage; or
- charges associated with preparing an invoice or resolving disputes over invoices.

LAWYER AND PARALEGAL TIME REPORTING

Minimum Charges. All professional time must be billed to the nearest one-tenth (0.1) of an hour for each activity included in a billing entry.

Daily Time Descriptions by Lawyer or Paralegal. The CHA will not pay for “blocked entries,” namely a line item with a single time charge for multiple activities. A time charge must accompany each activity.

For example, the following is not acceptable:

10/2/00--5.00 hours--Phone conference with Hargrove re deposition; conference with client re same; prepare substantive changes to Answer; attend deposition of Hargrove.

The following is acceptable:

10/2/00--5.00 hours--Phone conference with witness Hargrove re deposition (.20); conference with client name re same (.50); prepare substantive changes to Answer (1.30); attend deposition of Hargrove (3.00).

Attendance at Meetings, Hearings, Depositions. The CHA generally will pay for only one attorney from your firm to attend depositions, meetings, or arguments. The CHA recognizes that additional people as identified in your budget may be needed for trials and major hearings. Prior approval from the Designated Counsel must be obtained if time is to be billed for more than one attorney to attend a meeting, deposition, trial or hearing. In addition to the above restrictions, we will not accept bills of a “miscellaneous” or “other” category of expenses. We will not pay charges, however designated on your invoice, attributable specially to weekend work (other than charges in the permitted categories detailed in this section), or for air conditioning, heating, office machine attendants, lighting, parking, clerical assistance, or other costs associated with the maintenance of a law office.

Legal Research. You should obtain prior approval from the Designated Contact before conducting a legal research project that is expected to exceed two (2) hours. When seeking approval, you should be prepared to address the purpose of the research; who will perform the research; whether the research can be performed effectively by lower-level personnel; whether the firm has previously

conducted research on these or similar issues; whether the lawyer has access to prior research on the same topic; and the approximate number of hours needed to complete the research. The CHA should not be charged for routine research.

Research concerning matters of common knowledge among reasonably experienced counsel in the Chicago area is considered routine. Where circumstances exist that enable you to use your data banks, the CHA should only be charged for research connected with updating previously researched materials. It is expected that paralegals or junior associates will be used for research matters, avoiding extensive research time expended by partners or senior associates. Copies of research products prepared for a CHA matter should be forwarded to the Designated Contact.

Vague Descriptions. The use of vague or generally described activities is unacceptable. Generic and general activity descriptions that lack specificity, such as the following examples, are not appropriate and will not be compensated:

- | | |
|-------------------------|--------------------------|
| . Arrangements with | . Receipt of documents |
| . Conference with | . Prepare correspondence |
| . Discussion with | . Review correspondence |
| . Meeting with | . Review case and issues |
| . Discovery | . Telephone call |
| . Work on file | . Meeting preparation |
| . Research | . Closing preparation |
| . Motion work | . Update strategy |
| . Review/draft document | . Work on project |

Billings for discussions, meetings, and telephone calls should specifically describe the parties, the subject, and the purpose. Any correspondence, pleading and other document that is prepared or reviewed must be identified and described. Any legal or factual research must identify the issue(s) researched.

Office Conferences. The CHA will not allow for non-essential intra-office conferences, and it will pay for only reasonable amounts of time expended on essential conferences on substantive matters. The CHA will not pay for intra-office conferences that are either administrative or educational in nature.

Reviewing Files. The CHA should not be charged for general, diary or status file reviews. A file review that is not precipitated by an event (such as a telephone call or receipt of correspondence) or that does not result in the creation of any tangible work product should not be billed to the CHA. The CHA will not pay for the review of a file by a party who is merely supervising the work of another law firm employee. Such supervision is considered part of the firm's overhead and is already contained in the firm's hourly rate structure. The CHA will not pay for time spent by newly assigned attorneys or paralegals to familiarize themselves with a matter on which staffing has changed while the case is in progress.

Paralegal Functions. Examples of activities that should generally be performed by paralegals are:

- preparing first drafts of basic forms and documents;
- ordering searches;
- ordering public records documents for closings;
- organizing materials;
- organizing and re-organizing files that involve case documents such as separating and cataloging responses to requests for production of documents;
- indexing file material if professional judgment with respect to categorization is required;
- preparing subpoenas for deposition, entry of appearance, substitution of counsel, routine interrogatories and requests to produce, jury trial demands, and other routine litigation documents;
- summarizing answers to interrogatories;
- preparing records requests and subpoenas;
- summarizing employment and other records;
- abstracting depositions.

Secretarial/Clerical/Administrative Functions. The CHA should be billed for work performed only by professionals (attorneys and paralegals), and it should not be charged an hourly or flat rate or fee for work that is secretarial or clerical or administrative in nature. The CHA considers the following services to be clerical, administrative or secretarial in nature, and it should not be charged for them regardless of who performs the task:

- scheduling meetings and appointments;
- making travel arrangements;
- maintaining calendars;
- filing, organizing or reorganizing files;
- date-stamping documents;
- pick-up or delivery of documents and records;
- preparing documents for mailing or shipping;
- tabbing or indexing file materials (unless professional judgment as to the index categories must be used);
- creating and organizing binders, notebooks, folders, files, etc.;
- ordering vendor services and providing instructions to vendors;
- processing vendor bills;
- collating;
- organizing files for storage;
- updating lists;
- copying and binding documents;
- inventorying documents;
- preparing enclosure letters;
- preparing invoices and negotiating billing questions.

FORMAT OF INVOICES

All matters should be invoiced on a thirty (30) day basis, regardless of whether there were services provided in a given month. Final invoices should be submitted within thirty (30) days of the final activity. A single original invoice should be submitted to the Chief Legal Officer for review, process and payment. Copies of invoices for reimbursable expenses should be submitted with the original invoice for professional services. Duplicate and/or copies of invoices should not be submitted to any other CHA department.

The format of the itemized statement must include the following information for each matter:

- Firm's Lawson identification number;
- Firm's taxpayer identification number;
- The name of the Designated Contact at the CHA;
- A unique invoice number for the particular bill;
- The inclusive dates of the months covered by the bill;
- The complete name or title of the matter as outlined in the assignment letter;
- The name, status, hourly rate, total hours billed (not recorded), and total amount billed for each lawyer or paralegal whose rates compose the fee;
- An itemized list of permissible disbursements and the actual or permissible charge for each disbursement; and
- A summary of the billing history to date.

See enclosed SAMPLE invoice. Each 30-day invoice submitted for payment should include a cover sheet, a copy of which is attached for your convenience. You must include with your statement both time sheet or diary detail for time charges and copies of invoices or internal data compilations for all disbursements.

Only those statements submitted in accordance with the foregoing procedure will be processed. Any statement that does not contain the specified information will be returned to your firm with a request for revision and/or explanation.

The CHA has the right to examine and audit all of your firm's billings for any work charges to the CHA and all of the supporting data for those billings.

CHA DIVERSITY AND INCLUSION CONTRACT REQUIREMENTS

Chicago Housing Authority Diversity and Inclusion Contract Requirements

In its procurement of goods and services, CHA seeks relationships with vendors who share our values for inclusive and equitable contracting opportunities. CHA values contract diversity and is committed to strengthening workforce development and economic opportunities for low-income workers, and Minority Women, and Disadvantaged Business, including Section 3 Businesses.

1. Summary of Contract Requirements

Type of Contract	M/W/DBE	Section 3 (Labor Hours)	53 Business subcontracting (> \$250,000)	Davis Bacon
Construction	Yes	Yes	Yes	Yes
Professional Service (license required)	Yes	No	Yes	No
Professional Service (non- license required)	Yes	Yes	Yes	No
Professional Services (direct services to residents)	Yes	Yes	No	No
Material & Supply	Yes	No	Yes	No

* If not self-performing

Minimum Thresholds for Contract Diversity:

Minority/Women/Disadvantaged Business Enterprises (M/W/DBEs)

Certified Minority, Women, and Disadvantaged Business Enterprises (M/W/DBEs) shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds. Vendors and their subcontractors or suppliers must take all necessary and reasonable steps to ensure that M/W/DBEs have the maximum opportunity to compete for and perform contracts financed in whole or in part by federal funds. CHA establishes minimum **thresholds** for all contracts over \$50,001. The percentage is required for the entire project amount and not limited to CHA's funding. Vendors unable to meet the threshold requirement may propose indirect participation subject to CHA's written approval.

Section 3 Business Subcontracting – For contracts >\$250,000, vendors are required to subcontract to Section 3 Businesses, unless self-performing. CHA establishes minimum thresholds. To locate a Section 3 Business visit the [Workforce Opportunity Resource Center](#) (WORC) site. Professional Services that directly provide support services for CHA residents are not required to sub-contract to Section 3 Businesses but are encouraged to sub-contract when feasible. Vendors unable to meet the threshold requirement may

Chicago Housing Authority Diversity and Inclusion Contract Requirements

propose indirect participation subject to CHA's written approval. These may include, but are not limited to mentorship programs, internships, training, and employment opportunities for non-CHA funded projects, or payment into CHA's Workforce & Education Fund.

Section 3 Labor Hours

CHA supports HUD's Section 3 requirement which counts labor hours. All applicable contracts **require at least 25% of the labor hours** performed on a project are done so with Section 3 workers and businesses, of which 5% of those hours must be performed by Targeted Section 3 workers (i.e. CHA residents and HCV participants). Vendors will report these hours via B2Gnow and/or LCPTracker or through required affidavits based on the contract type (HUD Section 3 24 CFR part 75).

Davis Bacon and Minimum Wage Requirements:

The Davis-Bacon & Related Acts apply to construction contracts over **\$2,000** and ensures that all construction employees are paid under the US Department of Labor's wage decision. Union contractors must ensure that Davis-Bacon wages are met, in accordance with the contract.

All CHA contracts must comply with the current local Minimum Wage requirement. The Minimum Wage Requirements shall be specifically incorporated as a contractual requirement in any award and agreement resulting from this solicitation for any of the Selected Respondent's covered employees. The Respondent must consider the Minimum Wage Requirement in determining its fees for services to be performed or provided by the Respondent under its fee proposal and other submittals. Note that Federal wage determinations (either Davis-Bacon or HUD-Determined Wage Rates) preempt any conflicting State prevailing wage rate or the Minimum Wage Requirement when the State prevailing wage rate or the Minimum Wage Requirement is higher than the Federally imposed wage rate (24 CFR 965).

The following chart indicates the goals set by the CHA for each type of contract.

Minimum Thresholds

Type of Contract	Contract Amount	MBE/WBE/DBE Participation	Section 3 Business Subcontracting (>\$250,000)	Section 3 Labor Hours (25% of which 5% is through CHA resident hires)**
Construction	\$50,001+	30%	10%	25%
Supply & Delivery	\$50,001 +	20%	3%*	N/A
Professional Services	\$50,001 +	20%	3%**	25%

*Or indirect. **excludes direct support service providers. *** Required regardless of contract amount.

2. Utilization Plan:

This chart is a list of items needed to evaluate a full utilization Plan (UP). All respondents to CHA solicitations must submit a UP which enables CHA to evaluate how they will fulfill contract requirements.

Document Name	To be Completed By	Details
Utilization Plan (UP), M/WDBE and Section 3 Businesses	Prime Contractor	This Excel worksheet will include all M/WDBE and Section 3 Businesses subcontracting as well as proposed indirect, etc.
Letter of Intent	Each M/WDBE and Section 3 subcontractor listed on the UP including a self-performing Prime Contractor	If a Prime is a M/WDBE and they are self-performing, they must submit a Letter of Intent. A Letter of Intent for each sub-contractor that is M/WDBE or Section 3 Business must also be submitted. The information outlined in the UP must correspond with the Letters.
Letter of M/WDBE Certification	Each M/WDBE listed on UP including a self-performing Prime Contractor	This form must be submitted with every UP and Letter of Intent and include current certification letters. Applications are not accepted.
Waiver Request-M/WDBE	Prime Contractor	This form is only to be used if a vendor cannot meet their subcontracting requirements and all good-faith efforts, including indirect participation, have been exhausted. The form must include (1) the scope of work and (2) the reason the Prime cannot meet the commitments outlined.
Other Economic Opportunities (OEO)	Prime Contractor	If vendor is unable to subcontract to a Section 3 Business in full or in part they will need to propose indirect participation through the OEO section on the UP or make commensurate payment upfront into the Workforce and Education Fund, subject to approval by CHA.

3. Reporting Requirements:

Contract Requirement	System	Details
Construction Contracts	LCPTracker	Certified Payroll Reports must be entered into LCPTracker weekly. This system also tracks compliance with Davis Bacon and Section 3 hours.
Professional Services	B2GNow	Payments must be entered into B2GNow for every pay application monthly. This system tracks and verifies Prime and Subcontractor payments made and received.

Chicago Housing Authority Diversity and Inclusion Contract Requirements

Additional Information:

(a) **COUNTING M/WDBE AND SECTION 3 BUSINESS (S3B) CREDIT:** A business that is both self-identified/certified as a Section 3 Business and certified as a M/WDBE may allocate credit across both certifications at their discretion. For example, if an M/WDBE firm is also a Section 3 Business and is required to meet the 30% threshold for M/WDBE and 10% for Section 3 Business, the Prime could receive credit for the 10% Section 3 as part of the 30% threshold and not in addition to.

(b) **PROVIDING OPPORTUNITIES TO SECTION 3 WORKERS:** In accordance with 24 CFR part 75.9 Prime and sub-contractors (including Section 3 Businesses) on CHA/HUD-funded contracts must ensure that Section 3 workers are provided economic opportunities with the following preference when applicable: a) residents of the project where the assistance is being provided, b) residents of other public housing or Section 8, c) Youthbuild participants, and d) resident of the metropolitan area.

(c) **SUBSTITUTION/REMOVAL OF SUBCONTRACTOR:** A prime contractor that needs to remove or substitute a subcontractor on its approved utilization plan must submit a written request for the removal or substitution of the subcontractor concerned. Only when Department of Procurement and Contracts (DPC) approves such a request in writing can the removal or substitution of the subcontractor be done by the prime contractor. Under no circumstance should a prime contractor unilaterally remove or substitute a subcontractor on its CHA/HUD-funded contract without prior approval by DPC.

Definitions

Section 3 Business are defined a business that either is a) 51% owned by public housing or housing choice voucher participant(s); b) 51% owned by a low-income person(s); or c) 75% of the labor hours are performed by low-income workers.

Davis-Bacon and Related Acts directs the US Department of Labor to determine prevailing wage for construction projects.

Indirect Participation refers to the value of payments made to M/WDBE firms for work that is done outside of the proposed project or commensurate value to S3 Business or CHA resident(s)/participants in other economic opportunities.

As a respondent to CHA IFB/RFP/CONTRACT or PO NUMBER 3254 I do hereby affirm that I fully understand and will comply with Chicago Housing Authority's Contract Compliance Requirements including the following:

Q. Diversity Goals

CHA values diversity, equity, and inclusion and seeks vendors with similar share values. Refer to Article VIII for CHA's Contract Requirements for additional detail. To enable CHA to assess this alignment, Respondent should answer the following questions and submit with their proposal (Limit responses to no more than 2 pages). Any responses that exceed this page limit will not be considered as responsive.

- 1. What is your organization's strategy for DEI?**
- 2. What is the racial ethnicity of your Board and staff? What percentage resides Chicago?**
- 3. Describe any opportunities for CHA residents including any internships, job shadowing, employment or mentorships.**

Miller Canfield understands and shares the Authority's commitment to diversity and has staffed our team to ensure that women and minority lawyers are actively involved on the front lines of providing service. Miller Canfield is one of only 39 law firms nationwide to earn Mansfield Certification Plus seven years in a row, a distinction from Diversity Lab which measures whether we have achieved targets for representation of women and attorneys of color for leadership roles and candidate pools for equity partner promotions and lateral hires.

Further, we propose that Holley & Pearson-Farrer LLP ("H|PF"), previously known as Golden Holley James, a minority-owned and BEP-certified firm headquartered in Chicago, serve as our co-bond counsel on this transaction. We regularly partner with this firm, which is nationally recognized for its expertise in public finance. Included in our response in Appendix E is an overview of the H|PF firm and detailed experience of Managing Partner Charles Holley and Partner Natalia Pearson-Farrer.

This is not a one-off commitment, but a reflection of our firm's values and policies. Miller Canfield has long been a leader in organizational diversity and was recognized by *The American Lawyer* as a Top Firm for Diversity in 2023. For seven consecutive years, Miller Canfield has earned Mansfield Certification Plus, which measures whether law firms have affirmatively considered women, underrepresented racial and ethnic groups, LGBTQ+, and lawyers with disabilities (at least 30 percent of candidate pool) for leadership and governance roles, equity partner promotions, and lateral positions.

As a founding member of the Law Firm Antiracism Alliance (the "LFAA") since June 2020, Miller Canfield has committed to collaborating with law firms nationwide to "leverage the resources of the private bar in partnership with legal services organizations to amplify the voices of communities and individuals oppressed by racism, to better use the law as a vehicle for change that benefits communities of color and to promote racial equity in the law," as stated in the LFAA charter. Miller Canfield's Pro Bono Counsel Wendy Richards leads the LFAA Voting Rights Working Group.

In August 2020, Miller Canfield added a newly created position of Chief Diversity Officer, deepening the firm's pledge to create a diverse and equitable workplace. In this position, Michelle Crockett now chairs the firm's Diversity, Equity and Inclusion Council and simultaneously serves as the Deputy Executive Officer. In these dual roles, she sits on the executive board with the firm's managing directors and CEO to ensure that diversity, equity and inclusion remain at the forefront

of all strategic, promotion, hiring and compensation decisions. In June 2022, Michelle was appointed to the Michigan Supreme Court's DEI Committee, which was formed with a directive to assess and work toward the elimination of disparities within the Michigan judiciary and justice system.

Among the specific programs and measurable diversity goals Miller Canfield has adopted in the areas of attraction, retention and business development:

- Adoption of a diversity scorecard, which tracks hiring, retention, work allocation and the makeup of client service teams
- Holding firm leadership accountable during evaluations to meet measurable inclusiveness goals
- Business development training for new and experienced attorneys, with a focus on building teams
- Mentoring for new attorneys
- Reduced-hours path to principalship
- Development of programs to enhance attraction and retention of women, including a firm-wide Women's Initiative
- Reduced and flexible work schedules
- Diversity training for attorneys and staff
- Diversity Committee member included on interview agenda for all new hires
- Refinement of RFP process to ensure inclusion of diverse attorneys
- Strengthening pipeline initiatives
- Strategic, diverse lateral hiring

As a result of these and other initiatives, during the 2023-2024 certification period, women and members of historically underrepresented groups at Miller Canfield account for:

- 100% of attorneys promoted to equity principalship
- 38% of the firm's nomination committee
- 66% of the firm's C-suite executive leadership
- 50% of the firm's compensation committee
- 41% of resident directors in the firm's U.S. offices
- 52% of the firm's associates
- 64% of the firm's U.S.-based associates are women or BIPOC
- 83% of the firm's 2024 summer associate class are women or BIPOC

We view our diversity efforts and accomplishments as the manifestation of the way we live our firm's values. But also importantly, they ensure that we are attracting and retaining the very best talent in the profession, which is good for the firm, the future, and our clients. We recognize that there is much more work to do, and we welcome further discussion of how we can provide service in a manner consistent with the Authority's values.

- (b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each, and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- (e) The contractor will certify that any vacant employment positions including training positions, that are filled: (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- (f) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

22. Procurement of Recovered Materials

- (a) In accordance with Section 5002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.
- (b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under the contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.

Chicago Housing Authority
Ethics Policy

Section 1: PURPOSE

This Ethics Policy (Policy) is designed to ensure the highest ethical conduct by all Chicago Housing Authority Officers and employees and that they are, at all times, acting in the best interests of the Chicago Housing Authority (CHA). This Policy provides Officers and employees with guidelines to help them: understand potential ethical problems before they develop; prevent potential conflicts of interest; and recognize and avoid behaviors not compatible with their position of public trust.

Section 2. GENERAL

Fiduciary Duty

Officers and Employees owe an unwavering fiduciary duty to the CHA in the performance of their duties.

Applicability

This Policy applies to all CHA Officers and Employees, and by contract to certain CHA Contractors and Subcontractors. All Officers, Employees, and Contractors shall read the Policy, familiarize themselves with its contents, and agree to adhere to its provisions. Each Officer and Employee shall complete, on an annual basis, training designed to educate them of their duties and responsibilities under this Policy or be subject to a fine of \$500.00.

All CHA contracts shall include a provision requiring compliance with this Policy.

Any Officer, Employee, or Contractor who violates this Policy may be subject to sanctions, up to and including immediate removal from office, termination of employment, or cancellation of a contract and debarment from future contracts.

Code of Conduct

The Code of Conduct guides the conduct of every Officer and Employee of the CHA. The Code of Conduct is based upon certain values each Officer and Employee is expected to live by each day, including:

- We are public servants who must place loyalty to the CHA and the federal and Illinois constitutions, and laws above our private gain or interest.
- We will give a full day's work for a full day's pay and put forth honest effort in the performance of our duties.
- We will treat members of the public with respect and be responsive and

Chicago Housing Authority
Ethics Policy

forthcoming in meeting their requests for information.

- We will act impartially in the performance of our duties, make no unauthorized promises purporting to bind the CHA, or engage in any business or financial transaction that is contrary to the interests of the CHA or outside of our duties and responsibilities
- we will never use, for private gain, any nonpublic information obtained through the performance of CHA work.
- We will protect and conserve CHA property and resources using them only for authorized purposes or activities.
- Disclose waste, fraud, abuse, and corruption to the appropriate authorities.
- We will adhere to all applicable laws and regulations that provide equal opportunity for all persons regardless of race, color, religion, gender, national origin, age, sexual orientation, or disability.

Section 4: SUBSTANTIVE CODE OF CONDUCT PROVISIONS

Duty to Report Corrupt or Unlawful Activity or Any Violation of CHA Policy

Every CHA Officer, Employee, or Contractor shall report, directly and without undue delay, to the CHA Inspector General or CHA Ethics Officer, any information concerning conduct which such Officer or Employee knows or should reasonably know to involve corrupt or unlawful activity or any violation of CHA Policy by: (a) another CHA Officer or Employee which concerns such Officer's or Employee's office or employment; or (b) any Person in the course and scope of dealing with the CHA or the performance of CHA work.

Any Officer or Employee who knowingly fails to meet this duty to report shall be subject to

Chicago Housing Authority
Ethics Policy

sanctions, including removal from office or discharge. A CHA Contractor's knowing failure to meet this duty to report shall constitute an event of default under the contract.

Every CHA Officer, Employee, and Contractor shall cooperate with any investigation by the CHA Inspector General or the CHA Ethics Officer.

Protection from Retaliation

The CHA strictly prohibits any form of retaliation. Retaliation is any adverse action, including reprimand, discharge, suspension, demotion, denial of promotion, transfer, or a change in the terms and conditions of employment, taken against any Employee who, in good faith, engages in "protected activity" including:

- Discloses or threatens to disclose an activity, policy, or practice of any Officer, Employee, or Contractor that the Employee or other Person reasonably believes evidences an unlawful use of CHA funds or CHA funding for actions performed by or on behalf of the CHA; unlawful use of official authority, or other unlawful official conduct that poses a substantial and specific danger to public health or safety by any Officer, Employee or Contractor; or any other violation of a law, rule, or regulation or CHA policy by any Officer, Employee, or Contractor that relates to their work performed or, or on behalf of, the CHA.
- Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any official activity, policy, or practice described above.
- Reports to, cooperates with, or assists the CHA Inspector General or Ethics Officer in the performance of their respective offices.

The CHA prohibits retaliation even if the concerns raised are not confirmed following an investigation. But an employee may be subject to adverse action if the employee knowingly made a false allegation, provided false or misleading information in the course of an investigation, or otherwise acted in bad faith.

This prohibition against retaliation does not exempt employees from the consequences of their own misconduct or inadequate performance, and self-reporting such issues does not prevent the CHA from managing employee performance and addressing conduct issues after an employee has engaged in protected activity, so long as the protected activity is not the reason for the performance management.

If any retaliation occurs in violation of this section, the CHA shall take such actions within its power to remedy the negative effects of such retaliation.

Improper Influence

Chicago Housing Authority
Ethics Policy

No Officer or Employee shall make, participate in making, or in any way attempt to use his position to influence any CHA decision or action in which he knows, or has reason to know, he has any Financial interest distinguishable from that of the general public.

Conflicts of Interest; Appearance of Impropriety

A conflict of interest exists whenever the personal interests of an Officer or Employee are inconsistent with — i.e., conflict with — the interests of the CHA. While employed at, or serving as an Officer for, the CHA, the primary business loyalty of that Officer or Employee must lie with the CHA. As a result, an Officer or Employee must not engage in activities outside of work that create a possible conflict of interest. An actual conflict of interest need not exist to constitute a violation of the Policy. Activities that create the appearance of conflict of interest must also be avoided.

No Officer or Employee shall make or participate in the making of any policy, or governmental or administrative decision, with respect to any matter in which he or she has any Financial interest distinguishable from that of the general public, or from which he or she has derived any income or compensation during the preceding 12 months or from which he or she reasonably expects to derive any income or compensation in the following 12 months.

To avoid even the appearance of impropriety, any Officer who: (a) has any Financial Interest in any matter pending before the CHA; or (b) has a Business Relationship with a Person or entity with a matter pending before the CHA Board of Commissioners or any board committee that requires board action, shall publicly disclose the nature and extent of such Financial Interest or Business Relationship on the records of proceedings of the Board of Commissioners. The Officer shall also notify the Ethics Officer of such interest within 72 hours of delivery of information regarding the matter to the board member, or as soon thereafter as the member is or should be aware of, such potential conflict of interest.

The Officer or Commissioner may recuse himself/herself in the event of a conflict of interest. Where there is the potential for the appearance of a conflict of interest, the Officer or Commissioner may abstain from voting on the matter but shall be counted present for purposes of a quorum.

Any Employee who has a Financial interest in any matter pending before the CHA shall disclose the nature of such interest to the Ethics Officer and, if the matter is pending in his or her own department, to the head of the department within 72 hours of when the Employee is, or should be, aware of the pendency of the matter. This section does not apply to applications for health, disability or workers' compensation benefits.

Interest in CHA Business

No Officer or Employee shall have a Financial interest in his or her own name or in the name of any other Person in any contract, subcontract, work or business of the CHA, or in the sale of any article, whenever the expense, price or consideration of the contract, work, business or sale is

Chicago Housing Authority
Ethics Policy

paid with funds belonging to or administered by the CHA. Compensation for property taken pursuant to the CHA's eminent domain power shall not constitute a Financial Interest within the meaning of this section.

No Officer or Employee who has Contract management authority over any contract, work, or business of the CHA shall have a Financial Interest in any entity which is a Contractor or otherwise a party to that contract, work, or business.

Unless sold pursuant to a process of competitive bidding following public notice, no Officer or Employee shall have a Financial Interest in the purchase of any property that (a) belongs to the CHA or (b) is sold by virtue of legal process initiated by the CHA. No Officer or Employee shall engage in a transaction described in this section unless the matter is wholly unrelated to the Officer's or Employee's CHA duties and responsibilities.

Representation of Other Persons

No Officer or Employee may represent any Person other than the CHA in any formal or informal proceeding or transaction before the CHA; provided that nothing in this subsection shall preclude any Officer or Employee from performing the duties of his office or employment.

No Officer or Employee may represent, or derive any income, compensation, or other tangible benefit from the representation of, any Person in any judicial or quasi-judicial proceeding, before any administrative agency or court in which the CHA is a party and that Person's interest is adverse to that of the CHA, or in any judicial or quasi-judicial proceeding before any administrative agency or court in which the CHA may be liable for the judgment or may be obligated to indemnify any of the parties.

No Officer or Employee may represent any Person in the circumstances described above unless the matter is wholly unrelated to the Officer's or Employee's CHA duties and responsibilities.

CHA-Owned Property

No Officer, Employee, or Contractor shall engage in or permit the unauthorized use of CHA-owned property. Nothing in this provision prohibits Officers and Employees from utilizing telephone, facsimile, cell phone and computer equipment for limited personal use.

Use or Disclosure of Confidential Information

No current or former Officer or Employee shall use or disclose, other than in the performance of his or her official duties and responsibilities, or as may be required by law, confidential information gained in the course of or by reason of his or her position or employment. For purposes of this section, "confidential information" means any information that may not be obtained pursuant to the Illinois Freedom of Information Act or without a court order or that is subject to disclosure in any meeting as defined by the Illinois Open Meetings Act.

Chicago Housing Authority
Ethics Policy

Solicitation or Receipt of Money for Advice or Assistance

No Officer, Employee, or Relative shall solicit or accept any money or other thing of value including, but not limited to, gifts, favors, services or promises of future employment, in return for advice or assistance on matters concerning the operation or business of the CHA. But, nothing in this section shall prevent an Officer or Employee or the spouse or Domestic partner of an Officer or Employee from accepting compensation for services wholly unrelated to the Officer's or Employee's CHA duties and responsibilities and rendered as part of his or her non-CHA employment, occupation, or profession and the Employee has complied with the approval provisions of the Outside Employment section.

Other Prohibited Conduct

No Officer or Employee or the spouse or domestic partner of such Officer or Employee, or any entity in which such Officer or Employee or his or her spouse or Domestic partner has a financial interest, shall apply for, solicit, accept or receive a loan of any amount from any Person who is either Doing business or Seeking to do business with the CHA; provided, however, that nothing in this section prohibits application for, solicitation for, acceptance of or receipt of a loan from a financial lending institution, if the loan is negotiated at arm's length and is made at a market rate in the ordinary course of the lender's business. This section shall not apply to an entity in which the only financial interest of the Officer or Employee or his or her spouse or Domestic partner is related to the spouse's or Domestic partner's independent occupation, profession or employment.

No Officer, nor the head of any CHA department, shall knowingly retain or hire as a CHA Employee or CHA Contractor any Person with whom any Officer or Employee has a Business Relationship.

No Officer or Employee shall negotiate the possibility of future employment with any Person, except with a government agency, that has a matter currently pending before such Officer or Employee.

For a period of one year from the date of employment or becoming a CHA Officer or Employee, no CHA Officer or Employee shall participate in a decision-making capacity in a matter that benefits his or her immediate former employer or immediate former client who the Officer or Employee represented or on whose behalf he or she acted as a consultant prior to becoming a CHA Officer or prior to commencing his or her CHA employment.

No Officer or Employee shall use his or her office or position to secure a personal benefit, gain, or profit, or use his or her office or position to secure special privileges or exceptions for himself or herself, or for the benefit, gain, or profit of any other Person.

Employment of Relatives

No Officer or Employee shall employ or supervise, or advocate for the employment of, any

Chicago Housing Authority
Ethics Policy

Relative of said Officer or Employee in any CHA department in which said Officer or Employee serves or over which he or she exercises authority, supervision, or control, any Relative of said Officer or Employee. Nor shall any Officer or Employee execute any duty or responsibility, vote for any resolution, or decide any matter in exchange for or in consideration of the employment of any Relative of said Officer or Employee Relatives by any other Officer or Employee.

No Officer or Employee shall exercise Contract management authority over any CHA contract if a Relative of the Officer or Employee is employed by the other party to the contract or will perform any part of the contract, or will derive an economic benefit from the contract, or exercises or has exercised Contract management authority over the contract.

No Officer or Employee shall use or permit the use of his or her position to assist any Relative in securing employment or contracts with any Person over whom the Officer or Employee exercises Contract management authority. The employment of or contracting with a Relative of such a CHA Officer or Employee by such a Person within six months prior to, during the term of, or six months subsequent to the period of a CHA contract shall create a rebuttable presumption that said employment or contract was obtained in violation of this Policy.

Political Activity

No Officer or Employee shall intentionally perform any Political Activity during any Compensated time.

No Officer or Employee shall intentionally use any CHA property or resources in connection with any Political Activity, including but not limited to CHA-issued electronic communication devices which are subject to the CHA Communications Equipment Policy.

No Officer or Employee shall intentionally require or instruct any other Officer or Employee to perform, or participate in, any Political Activity: (a) as part of the other Officer's or Employee's duties; (b) as a condition of employment; (c) during any CHA compensated time off; or (d) as consideration for additional compensation or any other benefit, including a salary adjustment, bonus, compensatory time off, or continued employment.

No Officer or Employee shall be awarded additional compensation or any benefit for such Officer's or Employee's participation in any Political Activity.

Nothing in this section shall be construed to prohibit activities that an Officer or Employee undertakes as part of such Officer's or Employee's official duties or such activities that the Officer or Employee may undertake on a voluntary basis in her personal capacity. If an Officer or Employee engages in any Political Activity during non-Compensated time, she should not identify her official title or CHA employment.

Solicitation or Acceptance of Political Contributions and Membership on

Chicago Housing Authority
Ethics Policy

Political Fundraising Committees

The Hatch Act, 5 U.S.C. §1501 et seq., restricts the political activity of Employees in that they (a) may not be candidates for public office in a partisan election; (b) may not use official authority or influence for the purpose of interfering with or affecting the results of an election or a nomination for office; or (c) may not directly or indirectly coerce contributions from another Officer or Employee in support of a political party or candidate.

No Officer or Employee shall compel, coerce, or pressure any other Officer or Employee to solicit, make, or refrain from making any Political contribution or engage, refrain from engaging, in political activities. No Officer or Employee shall knowingly solicit any Political contribution from any other Officer or Employee over whom he or she has supervisory authority. Nothing in this section shall be construed to prevent any Officer or Employee from voluntarily making or soliciting an otherwise permissible contribution or from receiving an otherwise permissible voluntary contribution.

No Officer or Employee shall knowingly solicit or accept any Political contribution from a Person Doing business or Seeking to do business with the CHA.

No Person with Contract management authority shall serve on any Political Fundraising Committee.

Post-Employment Restrictions

No former Officer or Employee shall assist or represent any Person other than the CHA in any judicial or administrative proceeding involving the CHA, if the Officer or Employee was counsel of record or participated personally and substantially in the proceeding during his or her term of office or employment.

No former Officer or Employee shall, for a period of one year after the termination of the Officer's or Employee's term of office or employment, assist or represent any Person in any business transaction involving the CHA, if the Officer or Employee participated personally and substantially in the subject matter of the transaction during his or her term of office or employment; provided, that if the Officer or Employee exercised Contract management authority with respect to a contract this prohibition shall be permanent as to that contract.

This section does not apply to any former Officer or Employee acting within the scope of his employment for any other governmental unit.

Outside Employment

All CHA Employees are prohibited from engaging in secondary employment unless the Employee's Department Chief and the head of Human Resources provide written approval of such secondary employment. Each January, all Employees are required to complete and submit

Chicago Housing Authority
Ethics Policy

a Secondary Employment Report and Request Form attesting that the Employee does not have secondary employment or requesting approval for such employment. Such form must be submitted annually, even if secondary employment has previously been approved. Secondary employment includes traditional employment, independent contractor, and self-employment arrangements. It is the Employee's obligation to seek approval before commencing secondary employment if the Employee's secondary employment status changes prior to the January reporting period. Employees are prohibited from obtaining secondary employment with the City of Chicago or any Sister Agency (Chicago Public Schools, Chicago Police Department, Chicago Park District, Metropolitan Water Reclamation District, etc.)

Contract Inducements

No payment, gratuity, or offer of employment shall be made in connection with any CHA contract, by or on behalf of a subcontractor to the prime Contractor or higher-tier subcontractor or any Person associated therewith, as an inducement for the award of a subcontract or order. This prohibition shall be set forth in every CHA contract and solicitation.

Section 5: GIFTS AND OTHER FAVORS

Offering, Receiving, and Soliciting Gifts or Favors

Aside from the exceptions in this section, no Officer or Employee shall: (a) solicit or accept any gift on his behalf or that of any other Person; or (b) accept any gift of cash, gift card, or cash equivalent.

No Officer, Employee, or Relative, shall knowingly accept any gift unless the total value of all gifts given to the Officer, Employee, or Relative by a single source amounts to no more than \$50.00 in a calendar year. Employees of the Procurement & Contracts Department are prohibited from accepting any gift in any amount from a CHA Contractor Doing business or Seeking to do business with the CHA.

No Officer or Employee shall accept any gift or money for participating in speaking engagements, lectures, debates, or any forum during the term of office or employment.

No Officer or Employee shall offer or make a gift that violates this section.

The restrictions noted above shall not apply to the following:

- Any opportunity, benefit, loan, or service that is available to the public on the same terms.
- Anything given by a Relative or friend, unless the Officer or Employee has reason to believe that, under the circumstances, the gift was given because of said office or employment.

Chicago Housing Authority
Ethics Policy

- Anything given to, or accepted on behalf of, the CHA, provided that the Person accepting the item on the CHA's behalf shall immediately report it to the CHA's Ethics Officer.
- Any food, refreshment, lodging, transportation, or other benefit resulting from the outside business or employment activities of the Officer or Employee, if such benefits have not been enhanced and are customarily provided to others in similar circumstances.

No Person shall give or offer to any Officer, Employee, Relative, or CHA Contractor, nor shall such person accept, anything of value, including, but not limited to, a gift, favor or promise of future employment, based upon any mutual understanding, either explicit or implicit, that the votes, official actions, decisions or judgments of any Officer, Employee or Contractor, concerning the business of the CHA would be influenced thereby. It shall be presumed that a nonmonetary gift having a value of less than \$50.00 does not involve such an understanding.

No Officer, Employee, or Relative shall solicit or accept any money or other thing of value including, but not limited to, gifts, favors, services or promises of future employment, in return for advice or assistance on matters concerning the operation or business of the CHA; provided, however, that nothing in this section shall prevent an Officer, Employee, or Relative from accepting compensation for services wholly unrelated to the Officer's or Employee's CHA duties and responsibilities and rendered as part of his or her non-CHA employment.

The prohibitions of this section shall not apply to any food, refreshment, lodging, transportation, or other gift or benefit resulting from the outside business, employment or community activities of a Relative, if such benefit has not been offered or enhanced because of the official position or employment of the Officer or Employee, and is customarily provided to others in similar circumstances.

An Officer or Employee is not in violation of this provision if he promptly takes reasonable action to return a prohibited gift to its source or donates it to an appropriate charity that is exempt from income taxation under the U.S. Internal Revenue Code.

If CHA determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and CHA may pursue any remedies under the contract or agreement (if not or voidable), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other transactions with CHA.
