Persuant to the HUD regulations governing utility allowances, CHA is required to review the allowances on an annual basis and adjust the schedules if utility rates have changed more than 10 percent. The gas rates **that residents are responsible for paying have exceeded the 10 percent or greater change threshold established under the HUD regulations**

<u>Schedule #</u>	<u>Legend</u>
R03	Electric for all purposes
R04	Electric for all purposes - Furnace blowers
R05	Gas only, all purposes
R06	Electricity and gas for all purposes
R07	Electric for all purposes and cooking gas
R08	Electric for all purposes, cooking gas and heat (hot water paid by CHA)
R00	Utilities provided by CHA
